**Garden of Remembering:  
Brick by Brick**

Nestled in the center of the Fairfield Memorial Hospital campus is a flowering courtyard welcoming all who seek a breath of fresh air, a place of comfort, relaxation, or meditation. Framing the garden pathways are engraved bricks commemorating names of those honored, loved and remembered.

To purchase an engraved brick with a donation to FMH Foundation, fill out the back of this card with your request and mail it with your check. All donations support the needs of the hospital - *for life*.
